## 1891 Census for Wolverhampton Surname Index Ba-Bo

The index provides the following information - surname followed by microfiche sheet No., the Public Record Office reference number (which appears at the bottom of every census page) and the folio number (which appears at top of every other page - the page without a folio number stamped on it is actually the back of the previous page). An asterisk \* means there is more than one entry for the surname on the specified page

E.g. - Abbey 3+ 2235/124 means the surname Abbey can be found on microfiche sheet No. 3, PRO reference number 2235 folio 124

## 1891 Census for Wolverhampton Surname Index Ba-Bo

The index provides the following information - surname followed by microfiche sheet No., the Public Record Office reference number (which appears at the bottom of every census page) and the folio number (which appears at top of every other page - the page without a folio number stamped on it is actually the back of the previous page). An asterisk \* means there is more than one entry for the surname on the specified page

E.g. - Abbey 3+ 2235/124 means the surname Abbey can be found on microfiche sheet No. 3, PRO reference number 2235 folio 124

## 1891 Census for Wolverhampton Surname Index Ba-Bo

The index provides the following information - surname followed by microfiche sheet No., the Public Record Office reference number (which appears at the bottom of every census page) and the folio number (which appears at top of every other page - the page without a folio number stamped on it is actually the back of the previous page). An asterisk \* means there is more than one entry for the surname on the specified page

E.g. - Abbey 3+ 2235/124 means the surname Abbey can be found on microfiche sheet No. 3, PRO reference number 2235 folio 124

## 1891 Census for Wolverhampton Surname Index Ba-Bo

*The index provides the following information - surname followed by microfiche sheet No., the Public Record Office reference number (which appears at the bottom of every census page) and the folio number (which appears at top of every other page - the page without a folio number stamped on it is actually the back of the previous page). An asterisk \* means there is more than one entry for the surname on the specified page*

*E.g. - Abbey 3+ 2235/124 means the surname Abbey can be found on microfiche sheet No. 3, PRO reference number 2235 folio 124*

## 1891 Census for Wolverhampton Surname Index Ba-Bo

The index provides the following information - surname followed by microfiche sheet No., the Public Record Office reference number (which appears at the bottom of every census page) and the folio number (which appears at top of every other page - the page without a folio number stamped on it is actually the back of the previous page). An asterisk \* means there is more than one entry for the surname on the specified page

E.g. - Abbey 3+ 2235/124 means the surname Abbey can be found on microfiche sheet No. 3, PRO reference number 2235 folio 124
